

Update Instructions

If you discover any issues with the operation of the unit, please report to the Wikipad team at support@wikipad.com.

How to update

1. Go to Settings → About Tablet → System update.
2. Select the **Check Now** and Wikipad Firmware Update – Q1 2014 will be displayed.
3. Click the **Download** button.
✉ A blue bar will display the progress of the update.
4. Once the firmware download is complete select **Update System now**.
5. Confirm the update and be sure your tablet has at least 45% charge.

6. When the files have loaded your tablet will display the green Android Robot and reboot.
✉ This process may take a few minutes to complete.
7. Android will then perform the upgrade.

Your Wikipad has now been updated to software with Google 4.2 and the custom Wikipad Game Mapper!
